About the Academy

Co-op Academy Failsworth, an Academy that has traditional values but which is at the cutting edge of technology. We are part of the Co-operative Academy Trust (CAT) and this brings many benefits.

We are a fully inclusive, popular and over-subscribed 11-16 comprehensive Academy with almost 1500 students on roll. The Academy became a Cooperative Trust School in April 2010 and in 2017 we seamlessly moved to become Co-op Academy Failsworth.

We offer and seek the following:

- We seek to provide a high quality education and pride ourselves on being an Academy that isn't afraid to take risks in order to develop both students and staff.
- We are committed to the support, nurture and development of our staff and place great importance on the provision of high quality professional developmental experiences and opportunities for all of our colleagues.
- We believe that our Academy is a stimulating and enjoyable place to teach and learn. We achieve our goals by a strong team working together in order to raise attainment and to improve our students' learning experiences.
- We want colleagues who want to teach, who demand high standards and who have a wide variety of experiences.
- Who knows what challenges will face us over the coming years? For those staff who are talented, ambitious, hardworking and enthusiastic there will be plenty of career opportunities which will offer you excellent developmental potential.
- In February 2008, we opened our brand new, £30 million state-of-the-art building. The building was specially designed around the students and teachers to maximise space and comfort, making it a safe and enjoyable place to be.
- We are extremely proud of being part of the Cooperative Academies Trust and the ethos that this has afforded our Academy. The last year has seen vast developments for the Academy, with our facilities and our role in the local community.
- We are not just an Academy - we are part of the community and are always looking to widen our participation and work more closely with the local people.
- We will offer you a superb and comprehensive range of CPD activities to further develop your career. Our CPD offer includes visits, whole Academy training, weekly dedicated time for Academy, faculty and individual CPD and collaborative planning. Your career matters to us and we will give you every chance to grow and develop, which ultimately supports our drive to be outstanding and further improve student progress. Every Thursday students finish at 2.00pm. Staff then have two hours dedicated CPD time.

If you believe you have what it takes to build upon our success story then we look forward to meeting with you.
