Co-op Academy Grange is an inspiring place to work and learn and as part of the Co-op Academies Trust, aims to secure excellence in all aspects of its work. We're a larger than average inner-city academy, the largest school in south Bradford, within the Little Horton ward (BD5). 45% of households are described as either D- working class or E - non-working. 42% of properties have three or more bedrooms. The largest ethnic group is Pakistani at 43% (Bradford 20%) and second largest white British at 15% (Bradford 64%). 17% of people living in Bradford were born outside the UK. The 2011 census identifies 80% of homes in BD5 having one or more deprivation dimensions. Bradford authority identifies a clear correlation between wards with high deprivation and a lack of positive outcomes across a range of measures. We're a highly inclusive school fully committed to improving a range of outcomes for our students. We make a real difference to the lives of our students and welcome applications from others who wish to join us in this important work.

Co-op Academy Grange is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. Appointments are made subject to an enhanced check with the Disclosure and Barring Service and a medical declaration.
