Co-op Academy  
Broadhurst

Dear Applicant,

Thank you for taking an interest in applying for the Parent and Family Support Advisor position at Co-op Academy Broadhurst.

We are a small primary academy in North Manchester. We joined the Co-op Academy Trust in November 2018. This was voluntary and followed our Good OFSTED in November 2017. We joined the Trust to increase opportunities for our children and staff and because we are firmly aligned to its vision and values. You will be joining the school at a very exciting time.

Our ethos is inclusive and caring and we aim to support every child to achieve their potential. All our children have talents and strengths and we believe it is vital to provide them with the opportunities to develop their strengths, behave well, support each other and grow in confidence. Our main aim is to encourage the children to develop a life-long love of learning whilst giving them the skills and values to become positive citizens of the future. We teach children to be resilient, resourceful, develop their thinking and be collaborative through our 4 Rs – Resilience, Reciprocity, Resourcefulness and Reflectiveness.

In order to do this we have developed an exciting and stimulating curriculum to fully engage the children to enjoy learning and make excellent progress. Our curriculum reflects the society in which we live, including, using the latest technology, awareness of cultural diversity, developing tolerance and global responsibility. We are a Rights Respecting School and every child has a voice and a feeling of ownership of the academy.

We believe that a strong partnership between home and school is the foundation for a successful education and we are looking for a Parent and Family Support Advisor who can develop those partnerships and build positive relationships with our most vulnerable families.

Safeguarding is a strength of the academy and we are proud of our provision for our most vulnerable children. This role is a key position in the academy, and the successful candidate will join a team of highly motivated and talented colleagues. We are looking for someone who is passionate about getting it right for children and families, able to use their initiative and prioritise their own work, who can be flexible and creative and genuinely cares.

Please contact the school office to arrange a visit.
